## Svjedočanstva javnog rada Larouchea: Novi međunarodni ekonomski poredak

Lyndon LaRouche bio je preko četrdeset godina intelektualni vođa borbe za uspostavu novog međunarodnog ekonomskog poretka.

Preko četrdeset godina, Lyndon LaRouche, ekonomist fizičke ekonomije bio je intelektualni i politički vođa u borbi za novi međunarodni ekonomski poredak na planet, u svrhu okončanja povijesne imperijalne kontrole monetarizma i pokretanja stvaralačkih moći čovječanstva ljudskog roda. Duboki učinak LaRouche-evog intelektualnog vodstva ima svoj jasan odraz u sadašnjim djelovanjima nacija BRICSa i drugih kojima nastoje ostvariti novu globalnu arhitekturu i strateški savez među državama, s nedavnom uspostavom Nove razvojne banke (NDB) i srodnim razvojem događaja. Djelomični vremenski slijed uloga LaRouchea u vođenju borbe za novi međunarodni ekonomski poredak.
